"WHEN USED PROPERLY, AIR CLEANERS AND
HVAC FILTERS CAN HELP REDUCE AIRBORNE
CONTAMINANTS INCLUDING VIRUSES IN A
BUILDING OR SMALL SPACE." (EPA)

By combining innovative technologies with
specifically directed resources, Vieplex is able
to offer high quality sanitization services to
local establishments without the high prices
that have eclipsed the financial capabilities of
many small business owners.
The buck stops here! The founders created
Vieplex to combat the exorbitant prices of
traditional cleaning companies.
The entrepreneurial benefits of Vieplex's
services are far reaching. For example, such
a service can minimize absenteeism and the
spread of infections and yet in the same
breath be a tax deduction in most cases.

LET VIEPLEX RELIEVE YOUR ANXIETY!
WE SPECIALIZE IN ELIMINATING
GERMS AND VIRUSES.

**GOLD
STANDARD**

Vieplex sets the "gold standard" for eradicating germs and viruses in the workplace as well as in other social environments. Why? The answer is simple. Vieplex employees are trained and certified in bloodborne and airborne pathogens and they use cleaning methods and products approved by the EPA and CDC known to kill germs and viruses in a safe and effective manner. This approach combined with innovative technologies that include non-invasive services puts Vieplex at the top of its class!

Vieplex, harnesses the "Power" of molecular sciences and innovative technology, and thereby uses this knowledge about germs and viruses in order to solve practical challenges associated with disinfection to further advance healthy workplace environments.

ASK YOURSELF THIS QUESTION:

Can I benefit from VIEPLEX services if I currently have cleaning personnel or use a janitorial service?

The Answer: Absolutely!

Cleaning and sanitizing fall into distinct categories and require different services, as defined by the CDC. The confusion between the two has undoubtedly led to ineffective sanitizing methods and countless infections.

Vieplex offers a wide range of services when it comes to combating germs and viruses in the workplace and other establishments, which include:

*Fitness Centers, Laboratories, Medical Institutes,
Movie Theaters, Offices, Schools & Campuses,
Stadiums, Public Transportation & Facilities,
Moving-Out & Multi-Tenant Cleaning,
Post-Construction, Coliseums & Post-Event, and
Elite Sanitizing Covid-19 Cleaning.*
